

Business Center

Your first business base in São Paulo

Are you looking for a start-up office in the vibrant 11 million people city **São Paulo** with an office ready to use, to get your feet on the ground while starting the entering to the Brazilian market?

WHY START IN OUR BUSINESS INCUBATOR?

The Danish Consulate General offers incubator facilities to Danish companies looking to enter the Brazilian market but who need a smooth start.

LOCATION

Located next to the Consulate General, in the heart of the commercial area of Jardins, Paulista in São Paulo.

FACILITIES

You get access to your own office (Full Incubator option), a conference room and other shared facilities, in the Business Center of São Paulo.

It provides a base while market opportunities are being thoroughly explored. This way you can keep start-up cost to a minimum.

Advice from our team

You will have access to up to **five hours monthly assistance from our team of advisors** and administrative staff with the **Full Incubator plan**.

FULL INCUBATOR

As full incubator **you will have your own office space in Brazil**, with a **exclusive phone line**. The incubator contract also includes access to:

- A dedicated **commercial advisor available at 5 hours per month** for commercial sparring, administrative support, answering of phones, booking of a few meetings etc.
- Free of charge wireless internet
- PC for printing
- Shared meeting room facilities
- As an incubator client you can use the consulate's address as your company address for website and marketing material, business cards etc.
- Reception services; the Consulate staff will receive mail and guests and answer your phone when you are not available.

DKK 9,900 /month.

VIRTUAL INCUBATOR

With a virtual incubator you will not have a dedicated office space, but you will have all the other benefits of a full incubator:

- A dedicated **commercial advisor available 3 hours per month** for commercial sparring, administrative support, answering of phones, booking of a few meetings etc.
- Free of charge wireless internet
- PC for printing
- Shared meeting room facilities
- As an incubator client you can use the consulate's address as your company address for website and marketing material, business cards etc.

DKK 2,805/month.

Note: The price for the virtual incubator equals 3 hours x hourly fee which for 2017 is 935 DKK. The facilities do not give you a legal company entity as this need to be handled separately. The Consulate can facilitate contact to lawyers, accountants and other relevant assistance when setting up a legal entity.
